**ORGANIZED BY:**  
**SPANISH MINISTRY OF DEFENCE**

The Spanish Presidency is aware of the significance of the maritime domain for a prosperous Europe and the importance of maritime security. To this end, it is promoting this Seminar to stimulate the study of the synergies that may be achieved by the cooperation and mutual support between the Common Security and Defence Policy and the Integrated Maritime Policy.

The work of the Spanish Presidency follows the recommendations of the EU Council at the end of the Swedish Presidency. These encourage the continuance of momentum achieved in the integration of maritime surveillance and the exploration of opportunities and synergies that can be achieved by the integrated approach to maritime affairs.
